DETAILED ACTION

1. Claim 23 pending in the instant application.

Information Disclosure Statement

2. The information disclosure statement (IDS) submitted on September 2, 2009 was in compliance with the provisions of 37 CFR 1.97 and 37 CFR 1.98. The IDS was considered. A signed copy of form 1449 is enclosed herewith.

Response to Amendment

3. The amendments to the claims filed on September 2, 2009 have been fully considered. The 35 USC 112 2nd paragraph rejection has been obviated and is thus hereby withdrawn.
4. The 35 USC 102/103 and double patenting rejections are maintained. Applicant's arguments have been considered, however, they are not found to be persuasive. The prior art teaches a solid form of the claimed chemical compound. Applicant is requested to provide a showing of how the prior art solid form is different from the instantly claimed polymorph. Similar arguments apply in order to overcome the double patenting rejection.

Conclusion

5. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within

In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
